2024

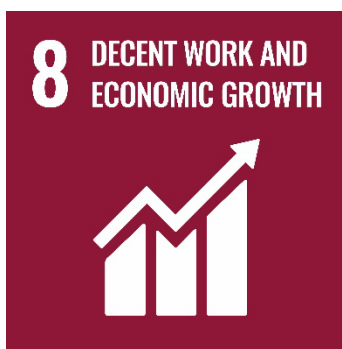

SIDRO FOUNDATION

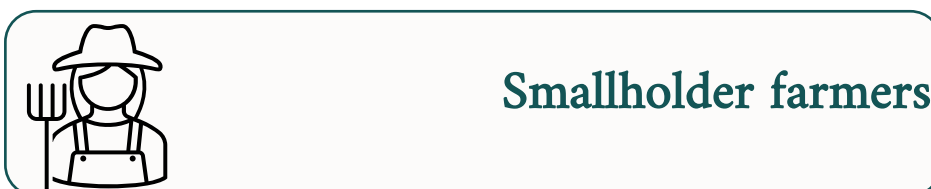

About the Foundation

The Sidro Foundation was established on August 15, 2024, with the **mission** of *promoting rural development in Serbia by supporting sustainable and healthy food systems, small agricultural producers and their communities, as well as through investments in local infrastructure.*

Through its work, the Sidro Foundation will strive to contribute to the achievement of the Sustainable Development Goals (SDGs), with a focus on three goals:

The **key beneficiaries** of the Foundation have been identified as, among others:

Fondacija Sidro

Overview of activities in 2024

From its establishment until the end of 2024, the Foundation was dedicated to administrative and legal setup, as well as defining its strategic framework and preparing its first support programs. Within these activities, the process of selecting the Foundation's manager was carried out, and meetings were held with potential partners, collaborators, beneficiaries, and experts in the fields in which the Foundation will operate. Additionally, in cooperation with the organization [Smart Kolektiv](#), preparatory actions were undertaken for the launch of the Foundation's first public call for grant allocation.

Financial report for 2024

The Foundation submitted its financial report for 2024, covering the period from August 15 to December 31, 2024, on time and in accordance with the Law on Accounting and Financial Reporting. The report is available for public access on the official website of the Serbian Business Registers Agency (APR).
